

Pickup and Delivery Policy

Continuous | Queensland, Australia | Last updated 1 July 2026

Current release method

The first release of the Continuous Contour Rowing Unisuit will be handled directly through Continuous. It is currently waitlist only.

Pickup

Pickup will be arranged directly with Continuous after stock is confirmed. Pickup may be arranged through school, club, regatta or another suitable location agreed directly with the customer. Exact pickup details will be confirmed privately.

Missed pickup

If a customer misses the arranged pickup, pickup can be rearranged for a later time.

Shipping

Individual shipping is not planned for the first batch. Australia-wide shipping may be added later. If shipping becomes available, a flat-rate Australian shipping price will be confirmed before payment.

Tracking

Tracking will only be provided if shipping is used. For the first direct pickup release, tracking does not apply.

Stock status

Joining the waitlist gives first access when the first release is ready, but final availability will depend on confirmed stock and sizing.
